- Future 7<sup>th</sup> grade students who are an FSA Reading Level of a 1 or a 2 **MUST** read the following books which the school has already provided to them: *The News Crews* and *Masters of Disaster*. They do not need to select another book from the list provided.
- Complete one of the summer reading activities below to demonstrate comprehension of the book you read.
- Submit your project to your Language Arts teacher during the first week of school.

## READING ACTIVITIES

- Instead of traveling into the book, write a scene or story including pictures in which the character(s) travel out of the book into today.
- Design a poster with words and pictures to advertise your book. Be creative...use details...elaborate...use color! Try to make it 3-D or movable.
- Write a character diary, writing at least six journal entries as if you are the main character in the story. Write down events that happen during the story and reflect on how they affected the character and why.
- Create a Meme for each book that you have read or one Meme that combines all of the books that you have read.
- Write a one page "pitch" to a producer explaining why the story would or would not make a great movie.
- Some characters are interesting and you can relate to, while others possess a specific personality that is intriguing. Select one of those characters that possess a specific personality that is intriguing, explain how and why it is intriguing. Use evidence from the text to support your answer.
